

**REMARKS**

Claims 1-6 were originally filed.

Claims 2-6 are cancelled herein, without prejudice, and may be reintroduced at a later time prior to issuance.

Claim 1 remains in the application.

The claims have been amended solely to reduce the filing fee by eliminating the multiple dependency in claims 3 and 4 and to provide an opportunity to accord with normal US drafting practices and procedures.

No new matter has been added. Entry of this Amendment is respectfully requested. In the spirit of condensed and streamlined practice, if the Examiner believes that a telephone conference would be of value, he is respectfully requested to call the undersigned counsel at the number listed below for prompt response.

Early and favorable action is respectfully solicited in view of the enclosed amendments and following representations.
